

# January Social Media Ideas & Prompts

For vibrant churches like yours!

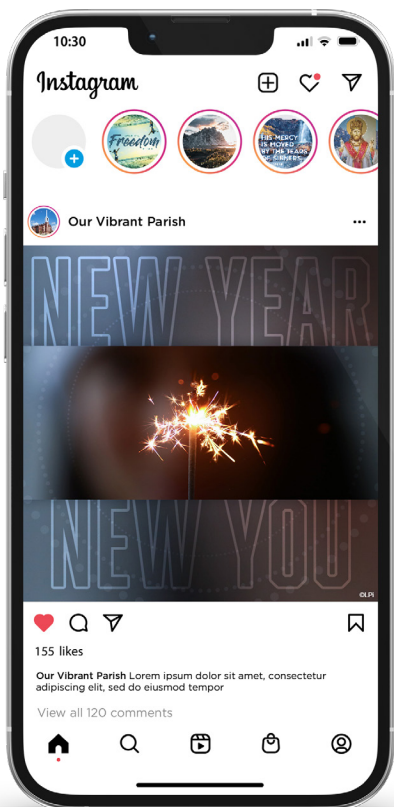

Click the link in each prompt to access ready-to-use art & content in WeCreate.

## Parish Goals for 2023

Take this opportunity to share a little about your parish's mission statement or any new goals your church may have for the upcoming year. January could also be a great time to update your community on how far along you are to accomplishing any long-term goals you may be working toward.

## The Feast of the Epiphany

The Epiphany of the Lord is January 6th. We have beautiful graphics to help you celebrate and educate. For example, use one of these images to post about your Mass times for this holy day of obligation.

## Share Your Staff's New Year's Resolutions

Is Father giving up dad jokes during his homilies this year? Let everyone know! It's great to get a little insight into the church staff members' lives, so interview your staff about what they may be planning to do for their New Year's resolutions.

## Thank Your Catechists

As youth are returning to religious education programs after Christmas break, take this time to recognize those volunteers who make these programs possible. We can get you started with this vibrant volunteer recognition graphic.

## Feature a Saint

Our new American saints and holy people illustrations and biographies include a tweetable 280 character short bio for easy drag-and-drop posting as well as a unique graphic made by our design team. We make this weekly educational content especially for social media sharing so that you can save time.

## Share Support Ministry Info

The holidays can be a difficult time for many. Take the opportunity in January to share about support groups and ministries that your parish offers. For example, you may have a grief ministry or a recovering addict support group available.
